I understand that as a part of my electronic health record, Vision Care Associates will transmit my prescriptions electronically as permitted, to the pharmacy that I designate as my primary pharmacy provider. Additionally, Vision Care Associates will obtain the history of all of my past prescriptions dating back two years from the pharmacy benefit manager and I understand that those prescriptions will become a part of my electronic health record. By signing below I hereby give consent to the above action.

All professional services rendered are charged to the patient. Necessary forms will be completed to help expedite Medicare/Insurance carrier payments. However, the patient is responsible for all fees, regardless of insurance coverage. Payment is due when services are rendered unless other arrangements have been made in advance.

I understand that if this is not filled out in its entirety, Vision Care Associates will not submit charges to my insurance carrier and that any inaccuracies will cause denial of benefits and/or delays in payment.

I hereby authorize VISION CARE ASSOCIATES to furnish to Medicare/Insurance carriers any information needed to determine benefits payable for services rendered to myself or my dependents. I authorize that payment of these benefits be made on my behalf to Vision Care Associates. I understand that I am responsible for any amount not covered under Medicare/Insurance.

Accounts not paid within 60 days of date of service are subject to a \$25 late fee and will accrue interest at a monthly rate of 1.5% (18% annual rate of interest). Checks returned not paid are also subject to a \$25 fee.

I acknowledge that I have been offered a Statement of Privacy Practices.
